# MOTOMOP™

Small Area Cleaning Machine

**DROP  
THE MOP  
BAN  
THE BUCKET**

*Easy Storage - takes less space than a mop & bucket*

*The automatic scrubber that's faster and more effective than a mop and bucket.*

# MOTOMOP™

## Small Area Cleaning Machine

Indicator lights for quick reference:  
Power On/Off, Battery Life,  
Solution Flow On/Off

360° motion to clean in  
all directions

Adjustable handle height

**Cleans faster, better, safer.** The MotoMop™ cleans 4x faster than a mop and bucket, and is 38x more effective in picking up soils than a mop and bucket when measured with an ATP test meter. The MotoMop's engineered design leaves the floor dry reducing the potential for costly slip and fall accidents. MotoMop's versatile and compact features are perfect for schools, hospitals, retail or any institution that wants a better and more cost-effective clean.
