Hand Hygiene Solutions

BETCO®

Expertise in Hand Hygiene

Hand hygiene is an essential part of achieving a healthy facility, but it's not the only part. Compared to our skincare competition, Betco's expertise in hand hygiene, surface cleaning, touch point disinfection, and best-in-class floor care makes us a complete partner for clean and healthy environments.

As a professional leader in hand hygiene solutions, Betco® understands that each market and end use customer has different needs to achieve a clean environment, that is why Betco offers a variety of dependable dispensers as well as bulk filled soaps to be your one partner in hand hygiene. You will find that we strive for the top-of-the-line dispensers, soap, and training to provide the healthiest environment possible for your customers.

Compass® Guides You to Proper Hand Hygiene

Partner with Betco in driving compliance and teaching end users how to properly wash hands for a healthy facility.

Only 5% of the population washes hands according to the guidelines set by the Centers for Disease Control. It only takes a few steps to avoid spreading germs to others. **ONLY the Compass dispensing system by Betco** guides you to proper hand hygiene.

The CDC recommends a 6-step technique for proper hand hygiene. The LCD screen on each Compass displays a visual representation of a 6-step technique that is recommended by the CDC for proper hand hygiene.

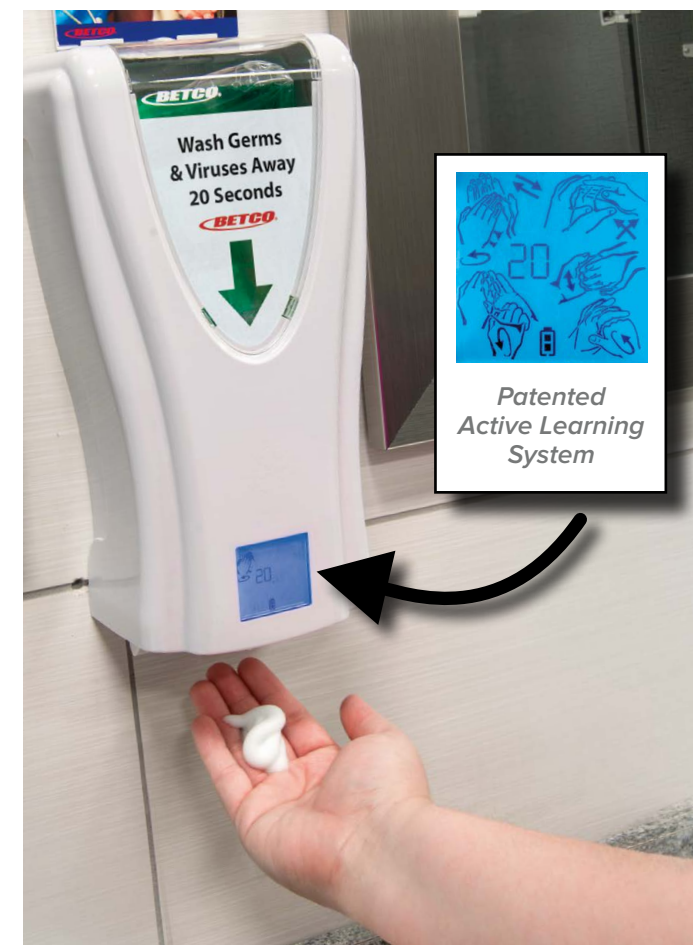

Compass® Dispenser Features and Benefits

- LCD screen with backlight
- 20-second timer option for handwashing
- 8-second timer option for hand sanitizing
- Touch Free Dispenser: available in 750 mL and 1250 mL sizes
- Patented technology
- Multiple skin care formulas including EcoLogo® certified options

The Active Learning Handwashing System That Pays for Itself!

- **Improve attendance of both students and teachers:** increase dollars for schools (\$25/day per student and \$125/day per teacher)
- **Decrease HAIs:** increase ranking and dollars for the healthcare facilities
- **Lessen sick days:** each year, 111 million workdays are lost due to the flu, costing approximately \$7 billion in lost productivity
- **Stop the spread of foodborne illnesses:** proper handwashing is the key to prevent illnesses like E. coli and Salmonella to customers

The Compass dispenser has a sanitizing setting that graphically shows users the steps for scrubbing hands with sanitizer for 8 seconds.

Clario® Dispensers are the Most Versatile, Cost-Effective Hand Hygiene Solution

Betco's Clario® program has been our leading hand hygiene solution for over a decade. It is an everyday, cost-effective solution that allows customers to stretch their hand care budget without sacrificing a safe and clean space.

Manual and Touch Free Dispensers are offered in both black and white utilize the same 1000 mL foam bag. This gives the benefit of less soap SKUs to purchase for facilities that have both Clario Touch Free and Manual Dispensers, providing flexibility and reduced stocking levels for real savings!

Clario Dispenser Features and Benefits

- Industry leading 98% "no-waste" evacuation provides more usable product per bag
- Exclusive bag design minimizes waste over traditional rigid plastic packaging, resulting in additional savings and a lower carbon footprint
- Sanitary, factory-sealed bag eliminates potential for product contamination
- Durable ABS construction for longer dispensing life
- Keyed to protect against tampering or theft
- Precise portion control for cost-effective dispensing
- 2-year warranty for customer peace of mind

Clario® TF Touch Free Dispensing System

Touch Free, automatic dispensing reduces potential transfer of microorganisms from user to user. Surveys have shown more people will wash their hands if touch free products are provided, which means reducing the spread of illness-causing germs.
