

PROTECTOR SERIES GLASS WORKSTATION

Work and protect with transparency

Due to the COVID-19 pandemic, social distancing and personal protection have become the new norm in order to stay safe.

The Protector Series is designed specifically to protect you in public spaces.

With the Transparent Self-standing Glass Workstation users can stay protected while maintaining visibility.

This is an ideal product for entry control for such areas such as cinemas, transportation services, warehouses, and other public spaces. This workstation has a glass panel integrated in a sturdy aluminum structure.
